MAIN MENU 1: OVERVIEW

1.1 Executive Dashboard

[URL: dashboard.html]

The primary C-suite command center displaying macro revenue metrics, active pipeline funnels, monthly expenses, profit margins, and attendance compliance.

SCREEN MOCKUP: 1.1 Executive Dashboard

dashboard.html

TOTAL REVENUE

Rs. 2,450 L

ACTIVE PIPELINE

Rs. 890 L

PROFIT MARGIN

24.8%

Performance Trend & Funnel Analytics Visualization

1/2 Period filter recalculates target benchmark ratios in real-time.

1/2 Interactive hover drill-downs active across all verticals.

- Key Demonstration Talking Points & Action Steps:
- 1/2 Point out top executive KPI cards (ARR, Active Deals, Operating Burn, Net Margin %).

1/2 Demonstrate the Period Filter (WTD, MTD, Q1-Q4, H1-H2, Full Year) - highlight how target ratios scale mathematically.

1/2 Show the Deal Pipeline Conversion Funnel with stage hover tooltips and vertical filter.

MAIN MENU 2: SALES & REVENUE

2.1 Leads & Pipeline CRM

[URL: leads.html]

Commercial deal management tracking prospective leads across 5 stage funnels (Enquiry -> Qualified -> Quoted -> Negotiation -> Won).

SCREEN MOCKUP: 2.1 Leads & Pipeline CRM

leads.html

TOTAL LEADS

Performance Trend & Funnel Analytics Visualization

⌕½ Period filter recalculates target benchmark ratios in real-time.

⌕½ Interactive hover drill-downs active across all verticals.

Key Demonstration Talking Points & Action Steps:

⌕½ Demonstrate cross-departmental report generation with date range filters.

⌕½ Export board-ready PDF summaries and raw CSV datasets for spreadsheet modeling.

⌕½ Conclude demonstration emphasizing complete operational governance.

3. PowerPoint (PPTX) Slide Deck Outline (8 Executive Slides)

Slide 1: Executive Title & Strategic Vision

Header: Measure DI RevOps -- Unifying Revenue Operations & Performance

- ⌕½ Challenge: Fragmented departmental spreadsheets cause collection delays and unaligned targets.
- ⌕½ Solution: Single control tower uniting Sales, Finance, HR, and Field Service Operations.
- ⌕½ Outcome: Complete Lead-to-Cash visibility and 100% strategic alignment across 200 staff.

Slide 2: Executive Dashboard (Overview)

Header: Real-Time Operational Cockpit for Leadership

- ⌕½ Unified KPIs: Total Revenue, Active Pipeline, Monthly Expenses, Net Profit Margin.
- ⌕½ Period Ratio Scaling: Target benchmarks recalculate dynamically for WTD, MTD, Q1-Q4, H1-H2.
- ⌕½ Zero Manual Consolidation: Replaces slow weekly Excel reports with real-time analytics.

Slide 3: Sales Pipeline & Commercial Velocity

Header: Maximizing Deal Conversion & Cash Receipts

- ⌕½ Leads CRM: 5-stage sales funnel with deal probability weighting.
- ⌕½ Orders & Contracts: Commercial fulfillment tracking and dispatch milestones.
- ⌕½ Payments: Accounts Receivable (AR) milestone tracking reducing Days Sales Outstanding (DSO).

Slide 4: Workforce Productivity & Governance

Header: Connecting Human Capital Capacity to Revenue Execution

- ⌕½ Employee Roster: Centralized headcount records and department mapping.
- ⌕½ My Team Workspace: Direct manager controls for task workloads and approvals.
- ⌕½ Attendance & Payroll: Automated punch logs linked to monthly payroll LOP deductions.

Slide 5: Strategic Alignment -- AOP, KRAs & Scorecards

Header: Top-Down Goal Cascading & Individual Accountability

- ⌕½ Annual Operating Plan (AOP): Strategic company-wide revenue goals set per FY.
- ⌕½ KRAs & Target Metrics: Departmental Key Result Areas with quarterly targets.
- ⌕½ My Scorecard: Real-time weighted performance gauges for all employees.

Slide 6: Financial Discipline & Profit Protection

Header: Controlling Operating Expense Burn & Safeguarding Margins

- ½ Expense Tracking: Direct material, travel claims, and departmental overheads.
- ½ Profit Center Analysis: Real-time net margin % calculated per vertical.
- ½ Approval Governance: Structured manager approval queues for claim reimbursements.

Slide 7: Post-Sale Service & Daily Discipline

Header: Protecting Customer Retention & Operating Cadence

- ½ Service Tickets: Client support SLA tracking across P1-P4 priority tiers.
- ½ Daily Work Management (DWM): Morning planning and evening task accomplishment logs.
- ½ Operational Rigor: Drives daily discipline across all 200 connected staff.

Slide 8: Enterprise Security, Exports & Architecture

Header: Scalable, Secure, and Resilient Cloud Architecture

- ½ Role-Based Security: Granular permissions for MD, Dept Heads, and Staff.
- ½ Data Resilience: Dual offline LocalStorage + Firebase Firestore cloud synchronization.
- ½ Executive Analytics: One-click PDF & CSV exports for board presentations.
