RevOps Client Demonstration & Operating Manual (v2.6)

Lead-to-Cash, Invoicing & Approvals, AR Adjustments, Master Bulk Import & DWM Productivity
Full End-to-End Enterprise Standard Operating Procedures (SOP) with Screen Mockups

Document Metadata & System Release Scope:

- Core Architecture: Overview -> Sales & Revenue (Quotes, Invoices, Orders, AR) -> Service -> Finance -> People -> Performance -> Master Data
- Key Enhancements: Senior Invoicing Approvals, AR Adjustments / Bad Debt Write-Offs, Master Data CSV Bulk Upload & Special DWM Scoring
- Audience: Board of Directors, Managing Director, Dept Heads, Finance Controllers & Enterprise Users

1. Main Navigation Hierarchy & Complete Menu Structure (19 Modules)

The sidebar navigation is structured into 7 core functional menu sections and 19 sub-menu modules. Present the platform following this exact sequence:

SIDEBAR NAVIGATION MENU MAP -- COMPLETE 19-MODULE OPERATING WORKSPACE

[OVERVIEW]

* 1. Executive Dashboard (dashboard.html)

[SALES & REVENUE (LEAD-TO-CASH & BILLING)]

* 2. Leads & Pipeline CRM (leads.html)

* 3. Quotations & Discount Approvals (quotations.html)

* 4. Invoices & Director Approvals (invoices.html)

* 5. Orders & Contracts (orders.html)

* 6. Payments & AR Write-Offs (payments.html)

* 7. Master Data & Bulk Upload (master-data.html)

[SERVICE & QUALITY]

* 8. Service Tickets & Quality SLA (service-tickets.html)

[FINANCE & LEDGER]

* 9. Expenses & Profit Center (expenses.html)

* 10. Payroll & CTC (payroll.html)

[PEOPLE & HR]

* 11. Employee Directory & Roster (employees.html)

* 12. Attendance & Leaves (attendance.html)

* 13. My Team Workspace (my-team.html)

[PERFORMANCE & STRATEGY]

* 14. My Scorecard (my-scorecard.html)

* 15. Daily Work / DWM & Productivity (dwm.html)

* 16. KRAs & Target Metrics (kra-targets.html)

* 17. Performance Reviews (reviews.html)

* 18. Annual Operating Plan / AOP (aop-targets.html)

[DOCUMENTATION & ANALYTICS]

* 19. Executive Reports & PDF Manual (reports.html / user-guide.html)

2. Sequential Main Menu & Sub-Menu Demonstration Script (19 Modules)

MAIN MENU 1: OVERVIEW

1.1 Executive Dashboard

[URL: dashboard.html]

The primary C-suite command center displaying macro revenue metrics, active pipeline funnels, monthly expenses, profit margins, and attendance compliance.

SCREEN MOCKUP: 1.1 Executive Dashboard

dashboard.html

TOTAL REVENUE

Rs. 2,450 L

ACTIVE PIPELINE

Rs. 890 L

PROFIT MARGIN

24.8%

Performance Trend & Governance Analytics Visualization

* Automated period scaling with live ratios across all 6 departments.

* Strict authorization gates & audit vouchers embedded across workflows.

- Key Demonstration Talking Points & Operating Steps:
- * Point out top executive KPI cards (ARR, Active Deals, Operating Burn, Net Margin %).
 - * Demonstrate the Period Filter (WTD, MTD, Q1-Q4, H1-H2, Full Year) - highlight how target ratios scale mathematically.
 - * Show the Deal Pipeline Conversion Funnel with stage hover tooltips and vertical filter.

MAIN MENU 2: SALES & REVENUE

2.1 Leads & Pipeline CRM

[URL: leads.html]

Commercial deal management tracking prospective leads across 5 stage funnels (Enquiry -> Qualified -> Quoted -> Negotiation -> Won).

SCREEN MOCKUP: 2.1 Leads & Pipeline CRM

leads.html

TOTAL LEADS

48 Active

QUOTED VALUE

Rs. 320 L

WIN RATE

38.5%

ID / Entity Name	Category / Stage	Amount (INR) / Rate	Approval / Owner
REC-101 -- Active Item	Verified / Active	Rs. 3.5 Lakhs	Authorized Lead
REC-102 -- Active Item	Verified / Active	Rs. 7 Lakhs	Authorized Lead
REC-103 -- Active Item	Verified / Active	Rs. 10.5 Lakhs	Authorized Lead

- Key Demonstration Talking Points & Operating Steps:
- * Filter leads by Sales Stage and Business Vertical (Sales, Service/Parts, Projects).
 - * Click "Add New Lead" modal to demonstrate quick deal creation with probability weighting.
 - * Show owner assignments and target closure date tracking.

MAIN MENU 2: SALES & REVENUE

2.2 Quotations & Discount Threshold Approvals

[URL: quotations.html]

Structured proposal generator with automatic gross margin calculation, tiered discount approval triggers (Commercial Head & MD), revision history, and professional PDF exports.

SCREEN MOCKUP: 2.2 Quotations & Discount Threshold Approvals

quotations.html

ACTIVE QUOTES

28 Issued

PENDING APPROVAL

5 Critical

CONVERSION

42%

ID / Entity Name	Category / Stage	Amount (INR) / Rate	Approval / Owner
REC-101 -- Active Item	Verified / Active	Rs. 3.5 Lakhs	Authorized Lead
REC-102 -- Active Item	Verified / Active	Rs. 7 Lakhs	Authorized Lead
REC-103 -- Active Item	Verified / Active	Rs. 10.5 Lakhs	Authorized Lead

- Key Demonstration Talking Points & Operating Steps:
- * Create itemized quotations linking Spare Parts or Equipment line items with automatic GST.
 - * Demonstrate Discount Threshold Governance: Discounts >15% automatically route to Commercial Head, >25% require Managing Director authorization.
 - * Generate printable PDF quotation with terms, payment milestones, and digital verification seal.

MAIN MENU 2: SALES & REVENUE

2.3 Invoices & Director Approvals

[URL: invoices.html]

Commercial Tax & Proforma invoice workbench featuring multi-tier senior approvals, automated GST calculation, milestone tagging, TDS handling, and Proforma-to-Tax conversion.

SCREEN MOCKUP: 2.3 Invoices & Director Approvals

invoices.html

BILLED INVOICES

Rs. 1,850 L

PENDING APPROVAL

4 Invoices

COLLECTION DUE

REC-102 -- Active Item	Verified / Active	Rs. 7 Lakhs	Authorized Lead
REC-103 -- Active Item	Verified / Active	Rs. 10.5 Lakhs	Authorized Lead

Key Demonstration Talking Points & Operating Steps:

- * Download prescribed CSV templates with pre-configured headers and sample rows.
- * Demonstrate bulk CSV upload with duplicate detection, GSTIN verification, and instant batch import.
- * Explain transition workflow from demo records to actual live enterprise master data.

MAIN MENU 3: SERVICE & QUALITY

3.1 Service Tickets & Quality SLA

[URL: service-tickets.html]

Post-sale customer support ticket tracking, warranty claims, equipment downtime, and service level agreement (SLA) compliance.

SCREEN MOCKUP: 3.1 Service Tickets & Quality SLA

DOC VERSION
v2.6 SOP

Performance Trend & Governance Analytics Visualization

* Automated period scaling with live ratios across all 6 departments.
* Strict authorization gates & audit vouchers embedded across workflows.

- Key Demonstration Talking Points & Operating Steps:
- * Demonstrate cross-departmental report generation with date range filters and PDF exports.
 - * Highlight one-click client demonstration PDF generator and live SOP guide.
 - * Conclude demonstration emphasizing end-to-end operational rigor and governance.

3. PowerPoint (PPTX) Executive Presentation Deck Outline (8 Slides)

Slide 1: Executive Title & Strategic Vision

Header: Measure DI RevOps -- Unifying Revenue Operations, Billing & Performance

- * Challenge: Disconnected billing spreadsheets, delayed collections, and unaligned daily execution.
- * Solution: Single source of truth unifying Sales CRM, Invoicing Approvals, AR Adjustments, and HR.
- * Outcome: Complete Lead-to-Cash visibility and 100% strategic alignment across 200 staff.

Slide 2: Executive Dashboard (Macro Overview)

Header: Real-Time Operational Cockpit with Dynamic Period Scaling

- * Unified KPIs: Total Billed Revenue, Active Deal Pipeline, Monthly Expense Burn, Net Margin %.
- * Mathematical Ratio Scaling: Benchmark targets recalculate dynamically for WTD, MTD, Q1-Q4, H1-H2.
- * Zero Manual Consolidation: Eliminates slow weekly reports with real-time operational telemetry.

Slide 3: Lead-to-Cash & Commercial Governance

Header: Accelerating Deal Conversions & Controlling Commercial Terms

- * Leads & Quotes: 5-stage funnel + automated discount threshold approvals (Head & MD).
- * Senior Invoicing: Multi-tier approval gates on high-value invoices with automated GST & TDS.
- * Payments & Collections: Pending-only billing views, collection aging, and Director AR write-offs.

Slide 4: Enterprise Master Data & Bulk Import Center

Header: Seamless Transition from Legacy Systems to Clean Master Catalogs

- * Standardized Templates: Pre-configured CSV templates for Clients, Projects, Staff, and Spare Parts.
- * Automated Validation: Instant duplicate detection, GSTIN format check, and bulk batch processing.
- * Relational Linking: Uploading invoices automatically connects to client and project repositories.

Slide 5: Workforce Productivity & Daily Cadence

Header: Connecting Human Capital Effort to Strategic Execution

- * Employee Roster & Hierarchy: Complete headcount master with supervisor reporting lines.
- * Daily Work Management (DWM): Auto-selected employee sessions with morning plan vs evening actuals.
- * Special Assignment Engine: Full-Day Training, Emergency Calls, and Audits grant 100% daily productivity.

Slide 6: Strategic Alignment -- AOP, KRAs & Scorecards

Header: Top-Down Goal Cascading & Objective Scorecard Accountability

- * Annual Operating Plan (AOP): Strategic revenue targets assigned per FY and business vertical.
- * KRAs & Target Metrics: Departmental Key Result Areas with quarterly targets and weightages.
- * My Scorecard: Real-time weighted performance gauges and transparent appraisal tracking.

Slide 7: Financial Discipline & Profit Protection

Header: Controlling Operating Expense Burn & Safeguarding Margins

- * Expense Tracking: Direct material, travel claims, and multi-project ledger cost splits.
- * Profit Center Analysis: Real-time net margin % calculated per vertical and account.
- * Payroll CTC Integration: Attendance punch logs feed automated Loss-of-Pay (LOP) salary deductions.

Slide 8: Enterprise Security, Cloud Resilience & PDF Exports

Header: Scalable, Secure, and Resilient Cloud Architecture

- * Role-Based Security: Granular permissions for MD (Super Admin), Dept Heads, and Staff.
- * Dual Resilience: Dual offline LocalStorage + Firebase Firestore cloud synchronization.
- * Board-Ready Exports: Single-click executive reports, PDF manuals, and CSV data exports.
